2019 Membership Application

**Club Membership** - All ages

## Membership Prices and Fees

All membership applications are good for exactly one year from the date the application has been received and payment for membership has been processed.  
(Example: Received/paid on 6/1/2019 - Expires 6/1/2020)

**Club Membership - All Ages - \$50**

**Monthly Coaching/Practice Services - \$100 per month**

\*With the RPTC membership fee and application, the applicant becomes, officially, a member of the Rising Phoenix Track Club and has the rights to compete as a member of the Rising Phoenix Track Club at any and all track and field or cross country competitions allowing club teams to compete. All RPTC members will be entered as such, regardless of whether they practice with the team or not, into the Rising Phoenix Track Club's Athletic.net team database where their results and competitions will be track online as long as those results and competitions are communicated to Coach Ben. RPTC members will also be given rights to wear and utilize the Rising Phoenix Track Club gear and logos while competing or practicing. Members will also be given a RPTC T-Shirt upon payment and completion of the application.

\*\*With purchase of the **Monthly Coaching/Practice Services**, the RPTC member will receive just that! For \$100 per month, the member is invited and granted access to all scheduled RPTC team practices and events, will receive coaching and instruction as part of the group from all RPTC coaches, and they will also receive written workout plans for the month from Coach Ben specifically written for the events the member plans to focus on. For the summer outdoor track and field season (June through August) practices will be held Monday through Friday and any changes or odd scheduling that may have to occur will be communicated to members as early as possible. Upon completion of this application, the applicant will be able to select whether they wish to take advantage of this (this is the only option if athletes wish to practice with, travel with, and compete in organized team activities). Upon selecting to participate in the Monthly Coaching/Practice Services and completion of registration for USA Track & Field, the athlete will receive a notification of the \$100 fee via email from the RPTC through Athletic.net. The Monthly Coaching/Practice Services will begin as soon as payment is received for such. It will then expire exactly one month from that date and the athlete will receive another notification via email (please check your junk mail if you don't see it) notifying of the fee needed for the next month.

One-on-one personal training/private coaching options are available through Head Coach Ben Bradley via CoachUp coaching services. These options are available through consultation and will typically include a 1 year membership with the RPTC. For more information and options regarding one-on-one personal training/private coaching, please contact Ben Bradley by email at [coachbenbradley@gmail.com](mailto:coachbenbradley@gmail.com). Leave your name, a phone number Coach Ben can reach you at, and a brief summary on your goals and why you would like to receive one-on-one training sessions. Ben will get back to you as quickly as possible to discuss the various options available.

Please email [risingphoenixtc@gmail.com](mailto:risingphoenixtc@gmail.com) with any questions regarding pricing and payment options available for club membership.
