**Please make sure to note month being paid for on checks, PayPal, or Venmo

USA Track & Field membership is a requirement for participation in the summer track program. The Rising Phoenix Track Club is a USA Track & Field Member Organization. Many summer track and field competitions often require athletes to be members of USA Track & Field. Insurance for the Rising Phoenix Track Club is also provided by USA Track & Field.

You can sign up for a USA Track & Field Individual Youth Membership by going to www.usatf.org, selecting the Membership option in the menu along the top of the page, and then going through the Individual Youth Membership application process found there.

IMPORTANT: When filling out the information for your USA Track & Field membership and it asks for Club Affiliation, you need to search and select Rising Phoenix Track Club, our club number is 37-1014.

Summer Track Scheduling

Practices and meets for the summer track season will run through June, July, and part of August.

JOIN THE RPTC REMIND GROUP: Text @rptc2021 to the number 81010

Each weekend in the summer, Coach Ben will send out a Google Form with available practice times for specific events and specific coaches for the upcoming week. You will be responsible for scheduling your own practice times using this Google Form by selecting all the days/times you will be able to attend for that upcoming week. If you schedule yourself for practicing certain events at certain times, you will be expected to be there at those times and on those days.

The summer meet schedule (attached) is evolving as we find more meets to attend. You can view the most up-to-date meet schedule for the summer at www.athletic.net and searching Rising Phoenix Track Club.

We may also add our own intra-squad or all-comer meets to the schedule in July since meet options (as of right now) seem to be fairly limited this year due to the pandemic.

Whether you compete in the summer or just get out to practice and get better for next year is completely up to you!
